S.M.CO. RED CROSS LOOKING FOR HOME FOR LOCAL BURNED OUT FAMILY: The Home Service Department of the San Mateo County Chapter, American Red Cross, is looking for a home for the Daniel Tice family, who lost their home when #107 Sierra Point burned recently. The family consists of Mr. and Mrs. Tice, their 3½ year old son, and their baby son of eight months. The Tice's lost all their possessions in the fire. The Red Cross furnished clothing for the family, but combined efforts of the Home Service department and the mother and father have failed to find a place for them to live. If you know of such a place, please call DL3-4561, or come to 1449 Bellevue Avenue, Burlingame.

FRIDAY AUGUST 29, 1952

SERVICEMAN'S CORNER: Hello, fellows--and goodbye. This is one of the hardest things I've ever had to do--to say goodbye to the Serviceman's corner. But--if I can manage it, you can be sure that you fellows who have been good enough to send us letters and pictures will get an occasional word from we Reece's--with the latest scuttlebut--if we hear any. Two of our local fellows are going into service just too late to receive any BYLINES---Kenny Walton, who joined the Marines last week; and Dave Agnew, who joined the Airforces this week. Eddie Baron will be discharged from the Marine Corps in November--and now we hear from Dave Tracy that he and the Army will part company in October! Today we received two very nice letters, a picture, and some Navy photos of the explosion aboard the U.S.S. BOXER from Tony Murillo. Here's his two letters--(we're answering them both in person!)

* * * * *

YOKOSUKA, JAPAN--Aug. 18, 1952

Howday, People! Just a few lines to let you know I'm alive and kicking after the blaze we had aboard the Boxer. I guess I was one of the very many that didn't get hurt too badly. I was on watch at the time the fire started, but I was made to go down below and secure all the hatches; while I was down closing the hatches it got too smoked in and I almost had to hit the drink--but you know me--"Never Hoppen"--didn't have my water wings, so I was forced to go up a hot ladder to the Flight Deck. Jarheads and Airdales were all down in the compartments trying to find a way up the Flight Deck--so we all tied a rope around our waists, and lead each other up to the Flight Deck. It was a close call--but we made it, anyway.

I got a big kick out of the Old Man--all he kept saying was, "HALL FOR THE TROOPS. BRASS, SAVE YOURSELVES!" We got a new skipper and he sure is tops with the peons!

I got the Bylines the same day as the fire! We are now in port working like mad to get this Pig Iron tub back on her feet, and all we do around here is chip and paint. Crazy kick--from Janitor to Painter---and I hate like blazes to paint!

Well, people--I'd better close for now--so until I hit the States again, Be Seeing You!---"The Old Master Painter"--

TONY MURILLO.

P.S.--Hope the Byline doesn't stop!

AND

August 21, 1952

Hi, Folks; Just a few lines to let you know we are pulling back into the combat area again--and we leave tomorrow!--but we will be back in a week or two.

I am enclosing my picture because I don't think you have one of me. I am also sending you a paper with a few photos of the fire.

Well, only two more weeks and we'll start shagging back to the States. Boy--those "greenbacks" will sure feel good, instead of the Yen we get here. Well, better close for now, because I'm on an Ammo working party. So---so long.

Yours truly,

TONY MURILLO.

* * * * *

WELL, THERE YOU HAVE IT, FELLOWS. SEE WHY I HATE TO GIVE UP THIS COLUMN? IT'S GUYS LIKE YOUNG TONY MURILLO WHO HAVE MADE THE WHOLE STRUGGLE HERE WORTH THE EFFORT. WE HEAR THAT A COUPLE OF FELLOWS WITH A PRINTING PRESS ARE INTERESTED IN STARTING A PAPER HERE. IF THAT IS SO, MAYBE YE OLDE EDITOR CAN MAKE SOME SORT OF ARRANGEMENT WITH THEM TO GET THEIR PAPER TO YOU--OR MAYBE THEY'LL LET ME INCLUDE A SERVICEMAN'S COLUMN IN THEIR PAPER. WE'LL SEE. IN THE MEANTIME, KEEP IN TOUCH, AND WE'LL TRADE YOUR OWN PERSONAL ITEMS BACK AND FORTH WITH YOUR FRIENDS AND PALS IN THE SERVICE. MY "LITTLE BLACK BOOK" OF THE NAMES WHICH HAVE MADE ME THE MOST "POPULAR GAL IN TOWN"--YOUR NAMES--WILL REMAIN ACTIVE TO SOME DEGREE. WHEN I HEAR SOME--THING I THINK YOU GUYS SHOULD KNOW--YOU'LL HEAR IT--FROM ME!

SO LONG FOR NOW----YOUR EDITOR.

LETTER FROM THE S.M. CO. COMMUNITY CHEST; TO Gladys Reece, Editor--
the BYLINE weekly, Brisbane, California; Dear Madam; Your invaluable
assistance, through your newspaper, in keeping the public informed about
the services of the Community Chest of San Mateo County is appreciated
very much. We are going to try and take the "mystery out of the Chest"
by a series of articles about the agencies. They will be released to
you as they are completed, and we hope you will be able to use them.

Because of the increased need, due to the tremendous population
growth and added services of the agencies, plus the addition of six
new agencies, headed by the USO, our goal will be about 29% more than
was raised last year. The enclosed brochure pretty much tells the
story. With kindest regards, I am, Sincerely yours--GLEN O. SMALLCOMB

President, SAN MATEO COUNTY
COMMUNITY CHEST.

Editor's note: It is also with regret that the BYLINE must announce
that, due to circumstances beyond our control, we can no longer stay
in business. If we could have gone on, we would have been glad to
print your series of articles. At the present time, Brisbane will be
without a newspaper. However, we understand another paper may be
started here in the near future. If such happens, we will be glad to
notify you at that time, and we hope Future Editors here in Brisbane
will give you the cooperation that we have tried to give you.

--GLADYS REECE, editor, the
BYLINE weekly.

POLITICAL: Harold F. Taggart, San Mateo's Democratic Congressional
candidate, presented gardenias grown in San Mateo's own gardens to
India Edwards, Women's Vice Chairman of the Democratic National
Committee, and a member of Governor Adlai Stevenson's Campaign Board,
before she boarded a plane last Saturday afternoon at the San Francisco
International Airport on her way to Stockton. An approving observer
was Edward J. Reilly, San Mateo City Councilman and Co-ordinator of
Stevenson-Sparkman clubs in the County, who led a delegation welcoming
Mrs. Edwards to the County. Mrs. Edwards was proposed for Vice Presi-
dent of the United States at the Democratic National Convention, but
she withdrew in favor of Senator John Sparkman.

Coordination of plans for the Taggart for Congress and the
Stevenson for President campaigns in San Mateo County were announced
on Monday, August 25th, by Edward J. Reilly, head of the Stevenson-
Sparkman clubs in this area. At a meeting of Democratic leaders held
last week in San Mateo, Reilly and Taggart, Democratic congressional
nominee, outlined the procedure whereby both groups would work with the
same precinct organizations now being formed under the direction of
the San Mateo County Democratic Central Committee. "The primary pur-
pose of the Stevenson-Sparkman clubs," Reilly stated at the meeting, "
is to afford another means by which Democrats, Republicans and inde-
pendent voters can support through their own efforts and in groups
not officially connected with any party that moves to elect national
Democratic candidates. "These clubs, however," added Reilly, "are
being asked to cooperate and work closely with precinct leaders already
selected or being selected by the regular Democratic organizations.
We are also trying to inform all San Mateo residents, regardless of
party registration, that we will be glad to answer all inquiries and
assist them in the formation of such clubs." Jack Abbott, San Francisco
member of the state-wide club movement, attended the meeting and praised
the group for their harmonious plans.

LETTER TO THE EDITOR: Dear Mrs. Reece; I certainly wish to thank you
for returning to us the papers found in front of your office. The
gentleman to whom these papers were given apparently dropped them, so
we are now forwarding them on to him. It was very thoughtful of you
to return them to us. Again thanking you, I am; JOSEPH C. GURTILL,

Manager, Reinforcing Dept. JOSEPH T. RYERSON

FRIDAY AUGUST 29, 1952

REPORT FROM THE P.T.A.:--by Dorothy Radoff, Brisbane P.T.A. publicity.

One of the ways in which the Parent-Teacher Association helps in promoting the welfare of children and securing the highest advantage for their physical well-being is by working in close conjunction with various agencies.

An example is the work of your Brisbane unit, which--by cooperation with the San Mateo County Board of Health, helped establish a Well-Baby Conference in Brisbane in April of 1947. Giving invaluable service to the community, the conference has been attended by hundreds of Brisbane children.

The conference has been continuously staffed by two Brisbane P.T.A. members, whose duties include weighing and measuring the children, checking them in, preparing charts for new entrées, and making appointments.

Two sets of scales have been purchased for the conference by your unit. Theo Bhend, Brisbane P.T.A. member, made the apparatus for measuring the babies and another for determining height. Mrs. E.R. Whitson, Well-Baby chairman, has worked at the conference almost steadily since its beginning and is addressed as "Mrs. Clinic" by many of the children.

All Brisbane children of pre-school age are invited to attend the Well-Baby conference, which is held every first and third Wednesday from 9 to 11 a.m. at the Nurse's room, Brisbane School. For appointment call Miss Frink, PLaza 5-0771.

Good Samaritans working at the conference during the summer months were Mrs. Roy Edwards, Mrs. Richard Hoskings, Mrs. William Pirkle, Mrs. Cy Ross, and Mrs. E.R. Whitson.

REGISTRATION FOR JEFF HI NEXT WEEK: High school students who have not made out their courses of study and who plan to enter Jefferson Union High School this fall are invited to come to the school Wednesday, Thursday or Friday, September third, fourth, and fifth.

This will include students who have moved into the district since the close of school, and those from Our Lady of Perpetual Help or other schools who were not programmed last spring.

The dean of girls, Miss Ada Wood; and the Dean of boys, Mr. Glenn South, will be in their offices from 9 to 12 a.m. and from 1 to 4 p.m. The high school is located at 6996 Mission Street. Parents are invited to come in and talk over the students' programs.

An enrollment over eleven hundred will crowd the school but plans have been made to care for the increased number of students.

Returning "Indians" will find a number of improvements. The auditorium, the halls, and a number of class rooms have been painted. The repairs to the pool are nearing completion and it is hoped to have the pool ready for use by the first of October.

Jeff High opens for the new school term on Wednesday, Sept. 10th. General Assembly will be held at 8:30 a.m. that morning. Freshman boys are to report to the Gymnasium, and Freshman girls to the balcony in the auditorium. For any further information, the Jeff Hi office phone number is PLaza 5-6661.

FINAL CURTAIN

AND SO---THE CURTAIN IS COMING DOWN ON A PROJECT
BEGUN MORE THAN TWO YEARS AGO WITH ONE AIM IN VIEW--
THAT OF BRINGING A VOICE TO THE PEOPLE OF BRISBANE.
TOO MANY TIMES WE HAD SEEN BRISBANE SLANDERED BY
ITEMS APPEARING IN NEWSPAPERS ALL UP AND DOWN THE
PENINSULA--WRITTEN, NO DOUBT, BY PERSONS WHO HAD
NO KNOWLEDGE OF OUR VILLAGE WHATEVER. TO THEM, WE
WERE A HARBOR FOR CRIMINALS--A HIDEAWAY FOR CROOKS--
AND A HOTBED OF VICE AND CORRUPTION. THEY DID NOT
CARE TO INVESTIGATE. IF THEY HAD, THEY WOULD HAVE
FOUND A VILLAGE FILLED WITH PEOPLE WHO ARE NEIGH-
BORS: PEOPLE WITH CHILDREN WHO WENT TO SCHOOL HERE:
PEOPLE WITH SOULS AND MORALS AND FEELINGS--EVEN
AS YOU AND I! IF THEY HAD INVESTIGATED--THEY
WOULD HAVE FOUND THAT NOT ALL OF US DRIVE AROUND
IN BIG BLACK CADILACS--NOR DO WE SPEND OUR IDLE
HOURS DRINKING, GAMBLING, OR BEATING OUR CHIL-
DREN! BRISBANE IS MADE UP OF HOME-HUNGRY HUMAN
BEINGS!--THIS WE TRIED TO BRING TO THE ATTENTION
OF OTHERS: AND THIS WE FAILED TO DO!

AND SO---GOODBYE FOR NOW---
